This block contains a parts list for step 109. It lists five items: two dark grey 1x3 Technic beams, one dark blue 1x3 Technic plate, one dark blue 1x3 Technic wedge, one dark grey 1x3 Technic plate, and one dark blue 1x3 Technic wedge. Each item is accompanied by a small image of the part and a quantity label (2x or 1x).

This block contains a list of LEGO parts and a corresponding assembly diagram. The parts list at the top includes: 1x 1x, 1x 1x, 2x 1x, 1x 1x, 1x 1x, 1x 1x, 1x 1x, 1x 1x, 1x 1x, and 1x 1x. Below the list is a diagram showing a large blue plate being assembled onto a base. The base is composed of various blue and grey LEGO bricks and plates. A green outline highlights the area where the new plate is being placed. The diagram shows the plate being placed over a 10x10 area of the base, with some parts already in place and others being added.

This block contains a parts list for step 315. It lists six different grey LEGO parts, each with a '1x' quantity. The parts are: a 1/2 wedge, a 1/2 brick with a hole, a 1/2 brick, a 1/2 brick with a hole, a 2x2 brick, and a 2x2 corner. A green line is drawn on the main assembly image, tracing a path through the grey structure.

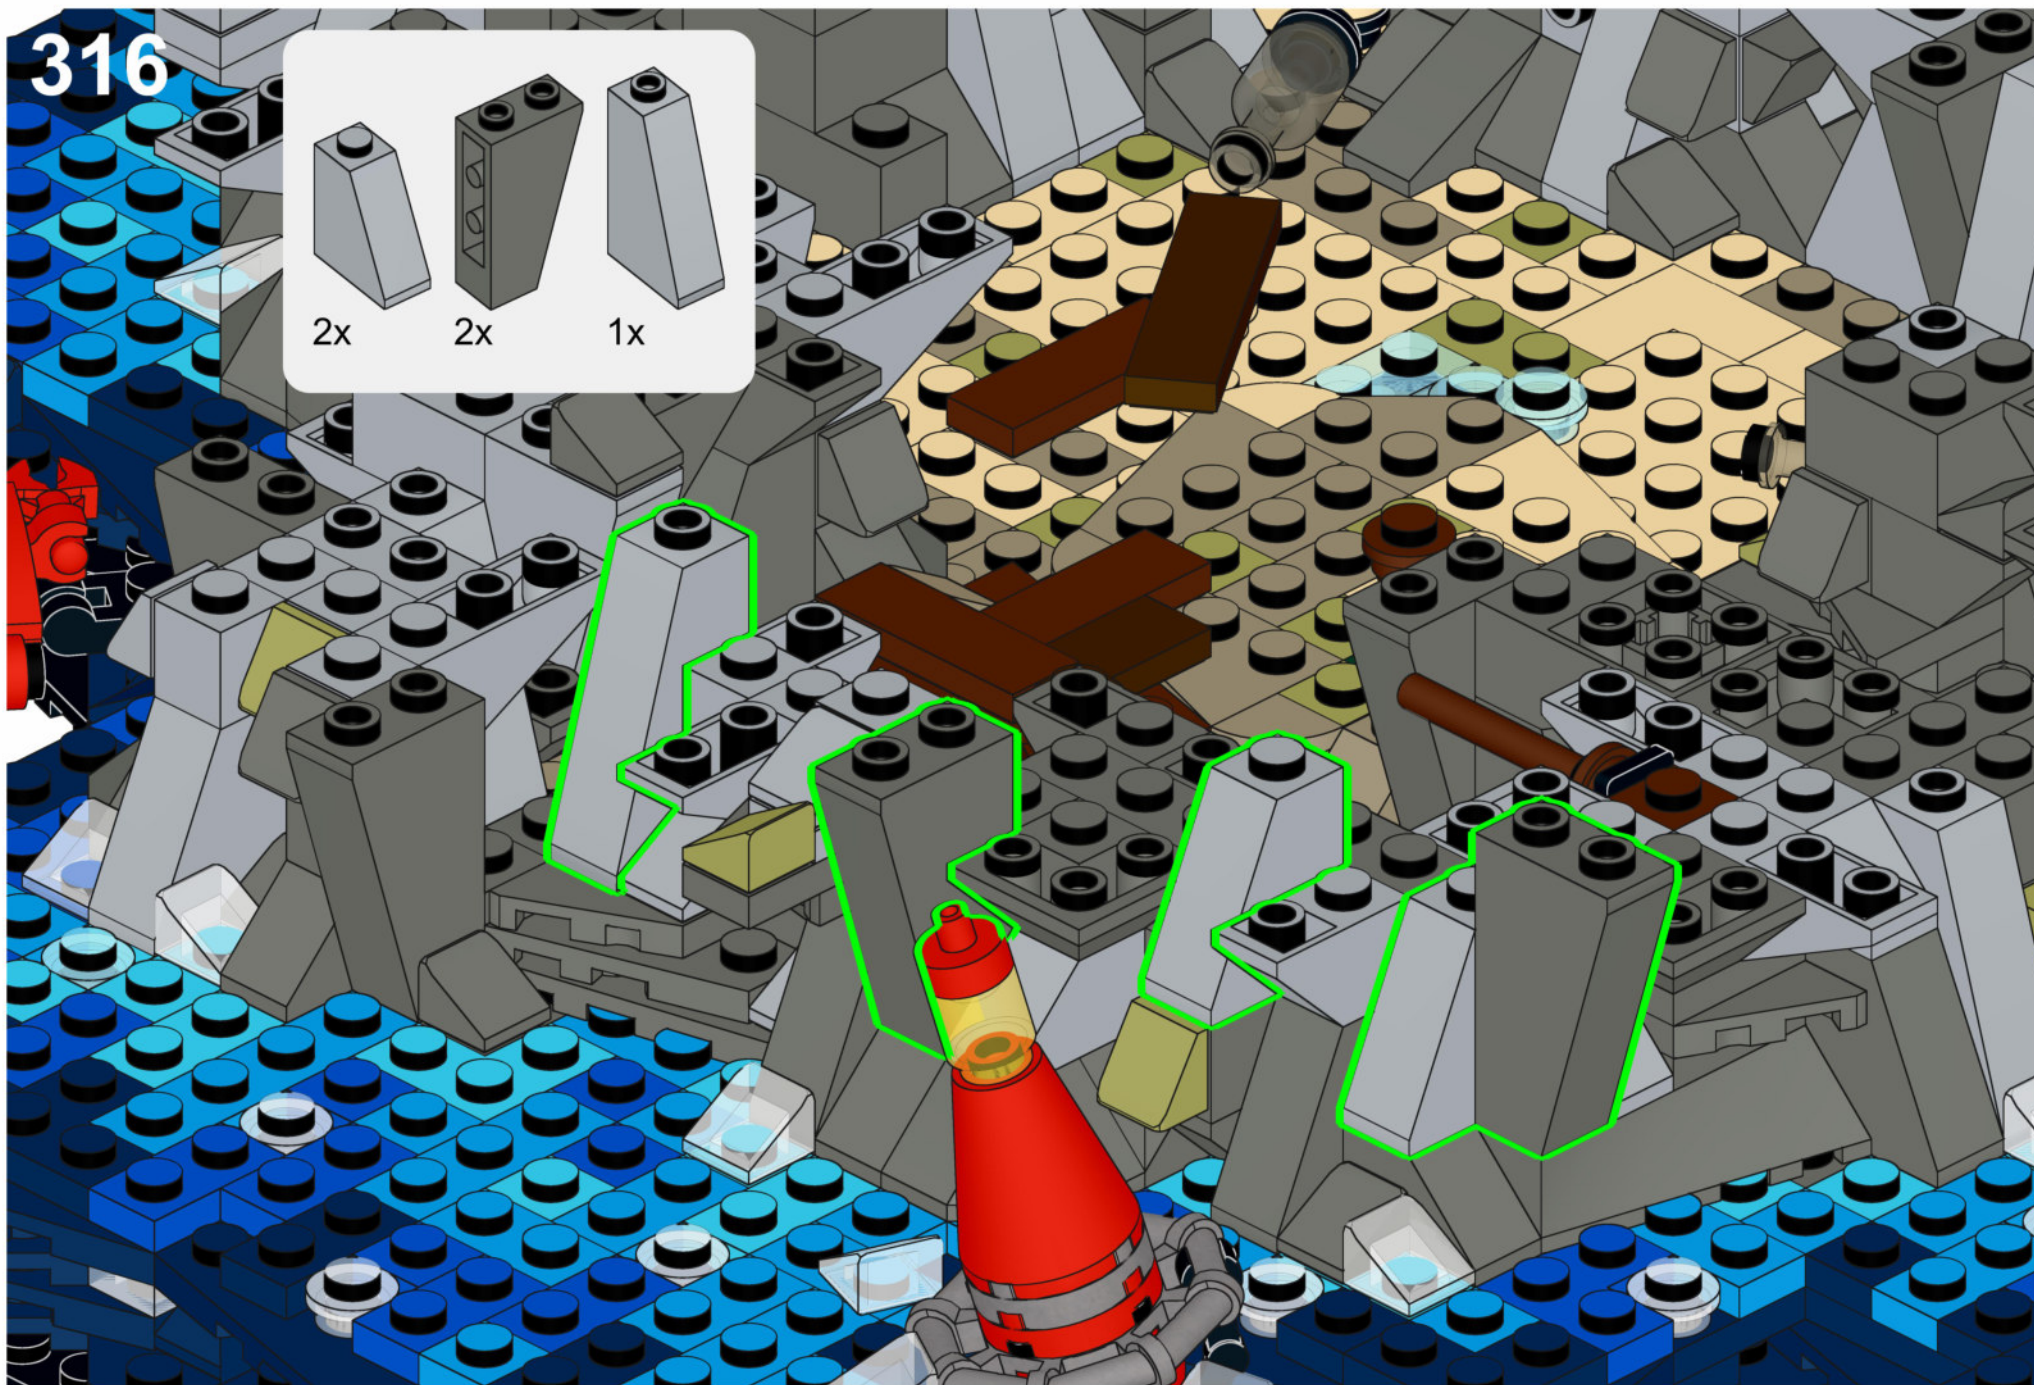

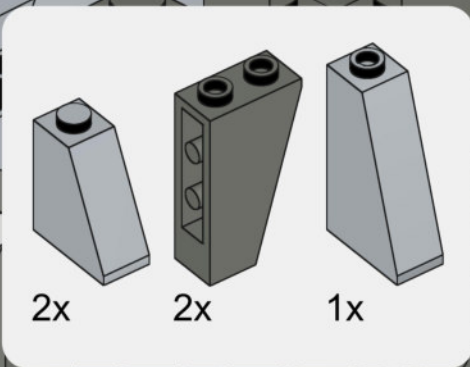

1 2

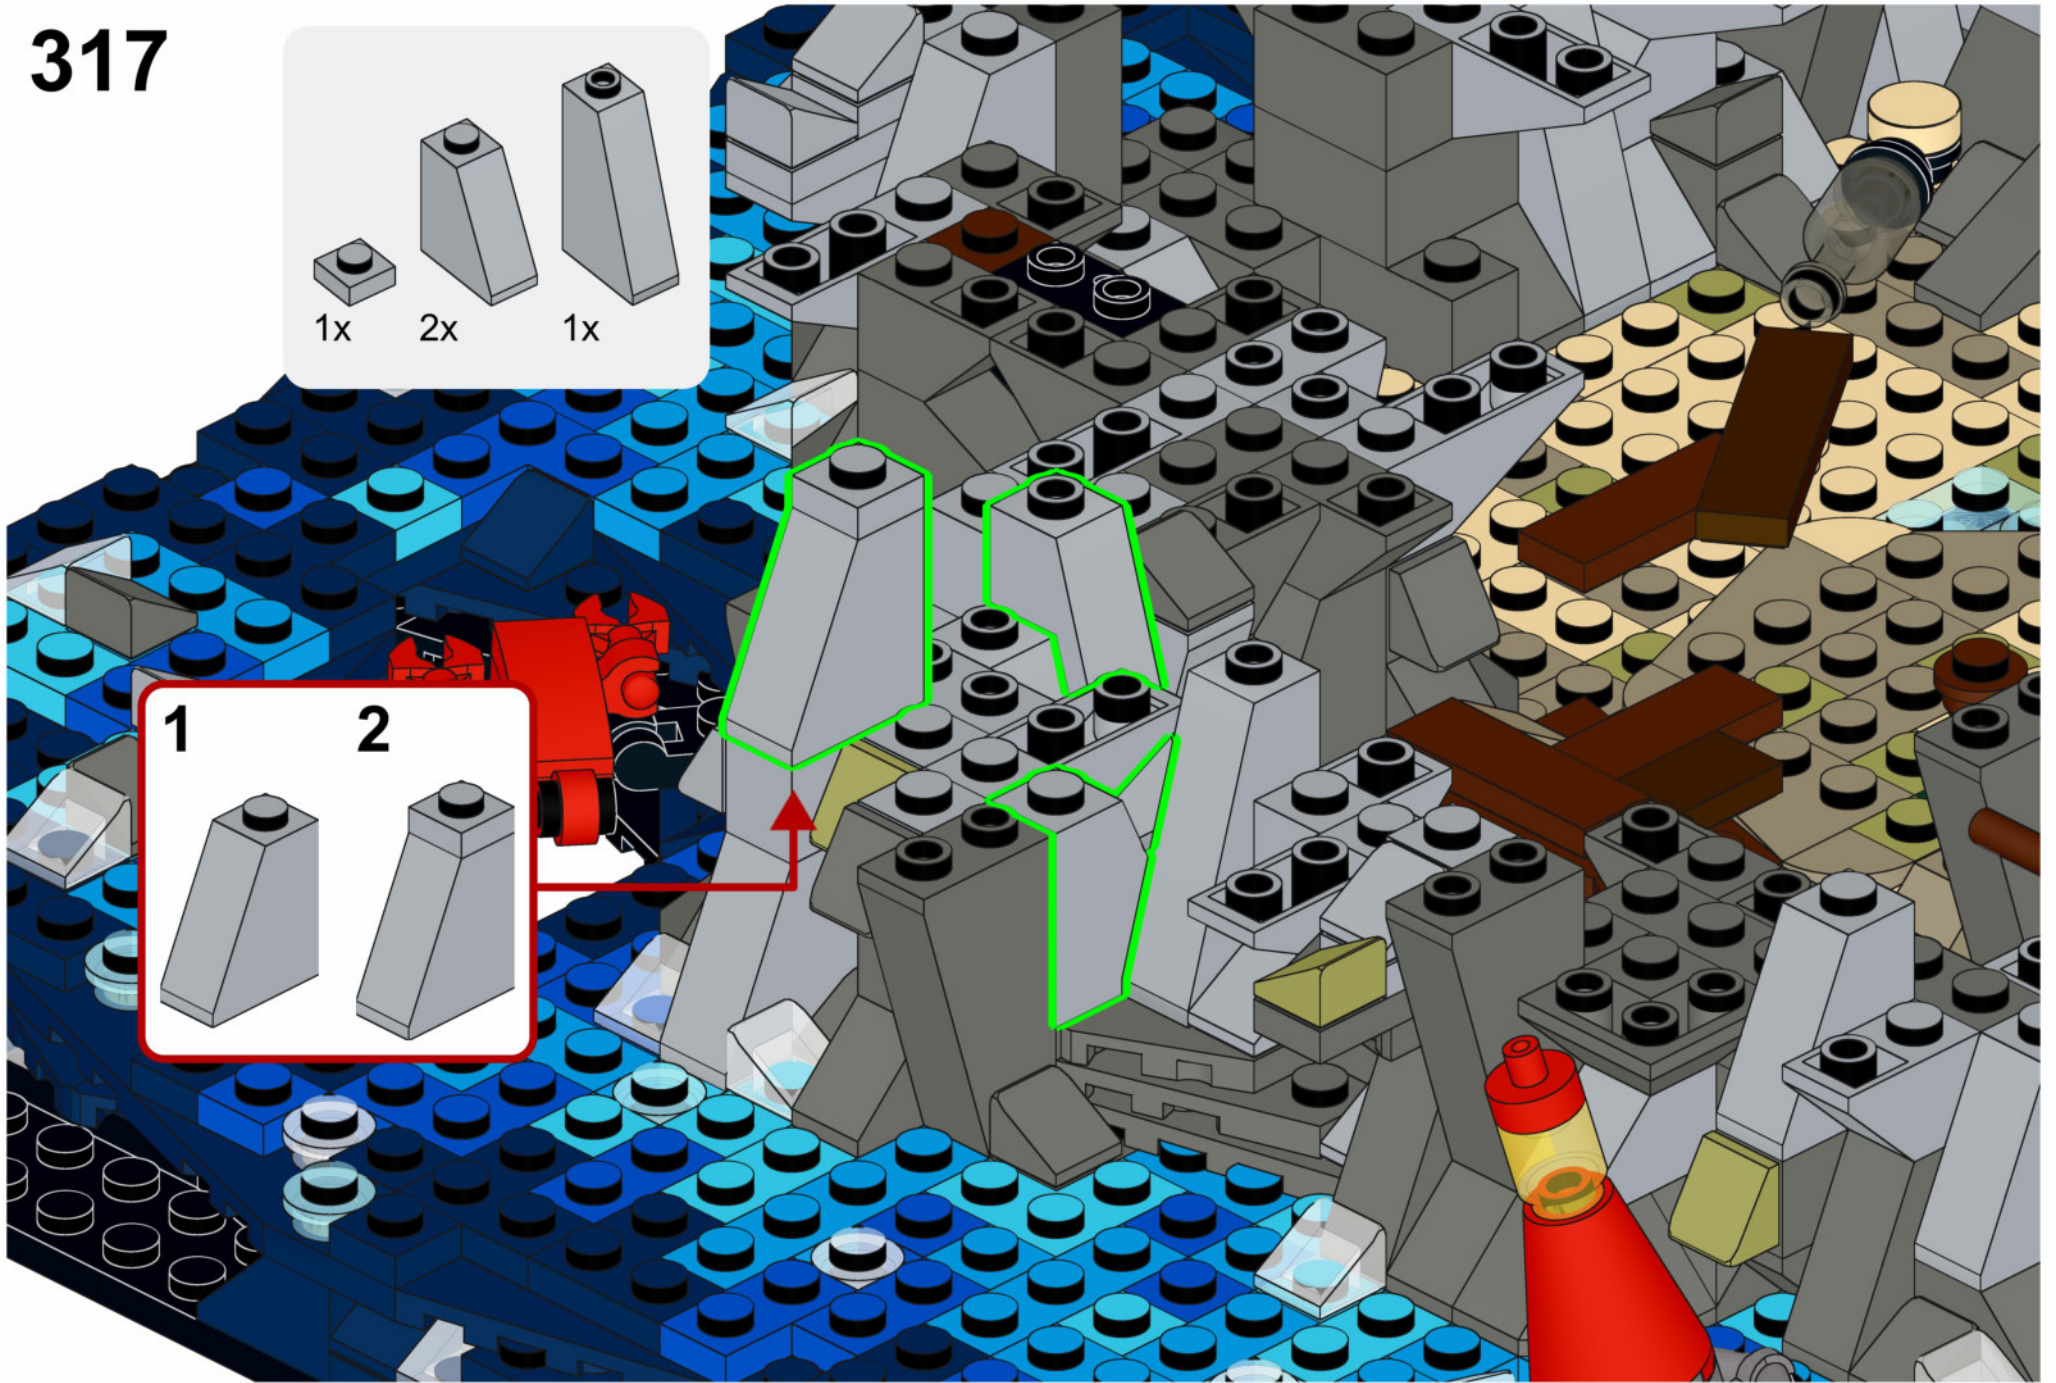

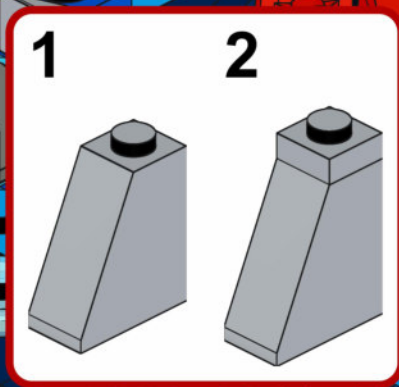

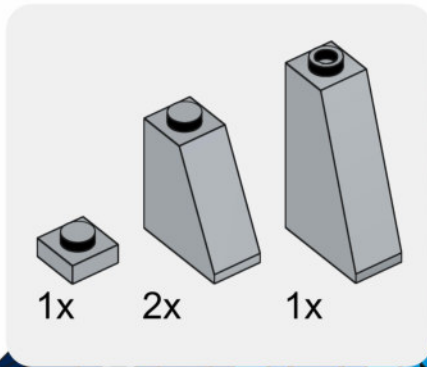

This block shows the assembly sequence for step 315. It contains two numbered images: '1' shows a grey 1/2 brick with a hole being placed on a blue base, and '2' shows a grey 1/2 wedge being placed on top of the brick. A red arrow points from the brick in image 1 to the wedge in image 2.

This image shows a detailed LEGO building step, numbered 342. The assembly is a complex structure made of various LEGO bricks and connectors. The main body is constructed from grey bricks, with a base layer of blue bricks. A yellow connector piece is highlighted with a green outline, indicating its placement. A red arrow points to a specific part of the assembly, likely indicating the next step or a specific connector to be added. The assembly is set against a white background.
